

ATTENTION EBCC FAMILY

This coming Sunday, June 23rd, please plan to remain following morning service for a brief meeting. We are excited to present to our membership proposed plans for a FELLOWSHIP HALL FACELIFT! A committee has with much prayer, during the past several months, received and compared bids from contractors to provide a much needed refurbishment of our fellowship hall. The final step in this process is to receive approval from our membership to proceed. The proposed plan will be presented, questions answered, suggestion given and a vote taken. Please remember to remain Sunday for this meeting.

Thanks,
Fellowship Hall Facelift Planning Committee
Dr. Gregory Anderson, Pastor
