

Mother's Day Tribute

Hello Church,

As Mother's Day approaches, we thought it'd be Awesome to Express our Love and Adoration for the "Mother's of EBCC" in the form of Audio and Video Tributes (shout outs) from our Members to their Mothers.

So, we are asking EBCC members to record your very own Video and or Audio Tribute and Send them to us at the Church email which is : evangelisticbcc@gmail.com , please be mindful of time restraints and limit your tribute to 30 seconds.

We would love to post these tributes on the Website on Mother's Day which is Next Sunday May 10th, 2020. In order to do so we will need them produced and emailed to us as soon as possible.

For those of us who have challenges using this technology, I have attached a quick tutorial for smartphone recording. Another very useful tool is our Youth, if possible, grab one of our children and let them show you how they excel in this area.

God Bless you all and We look forward to enjoying our tributes next Sunday.

Thank you.

Until we meet again,

EBCC Worship Committee

Ps... if you have any questions feel free to call and I will do my best to assist
