July 12th is right around the corner, and we could not be more excited to be opening our doors again! We have been working hard to make sure that when you are ready to return, you will feel safe and confident to do so. We realize there will continue to be a wide range of emotions and opinions about gathering in-person again. Some people may not want to gather in-person at this time. Others have been ready to gather in-person for several weeks. Therefore, we will need to extend much grace to one another through this process. Below you will find the answers to many of your questions about how Sundays will look as we open. We are excited to see you all as soon as you are ready and, most importantly, to worship together again!

WHAT SHOULD I EXPECT AT WORSHIP SERVICES?

- People who watch online and people who attend in-person will watch the same message and music.
- We will have Our Regular EBCC worship service at 10:45 a.m. in the Sanctuary.
- The Service will offer seating that will be separated by six feet of empty space; families may sit together. The doors will open 20 minutes prior to service time

WHAT ABOUT MASKS?

That is a great question. For indoor services, the CDC currently recommends

wearing masks, but the law does not mandate them. Our staff will be wearing masks, and we hope that you will too. We understand there are many opinions about wearing masks. There will undoubtedly be people with and without masks at these services, so please extend grace to one another. (*Children unmasked with their family. Unmasked adults sitting together.*)

WHAT PRECAUTIONS ARE WE TAKING?

We have taken the following precautions as we prepare to reopen the building on Sundays.

- Social distancing procedures, with the exception of families sitting together
- Seats will be six feet apart; families will be allowed to sit together.
- Multiple hand sanitizer stations
- No handshaking, hugs, or physical touching people outside your family
- No passing of offering buckets (offering baskets will be available as you exit)
- The water fountains will not be used.
- No EBCC furnished Books or Pamphlets will be distributed. This is to discourage the transmittal of germs on paper material.
- Everyone will enter at the Fellowship Hall entry, (where Your Temperature will be taken) and all will exit through the Vestibule to the Main Entry Door.
- Restrooms will be cleaned frequently during the morning, and only 2 people will be allowed in at any time.
- The building will be cleaned and disinfected before and after every service.
- Group or social gathering is discouraged in halls or auditorium; please make your way to the exits when the service concludes.

CHURCH AT HOME

We will continue to record and post the services on the YouTube app. Not ready to come back for in-person worship? Join us online
